HEY FATMAN!

MONEY! MONEY! MONEY!

SCHMIDT'S SLY SLICKERS

PROPHECY

Often arises the question, "What's behind the green door?" Maybe we'll find the answer somewhere in Manlius. And how lucky! We have just received an unexpected invitation from our old classmate, Chris, to attend the opening of his new nightclub, "Chris' Superbo Magnificie Ball Room." The nightclub's speediest chauffeur, Don, wasted no time zipping us to the ball room in his Jet-A-Way-Space-Mobile, invented by Curt, who also is famous for his Boyce Buggy which can be used in the water, in air, on land, or as a tractor, He says it will soon be the only type vehicle used in the world. Oh, oh, we find we must enter through an orange door! What a catty color! Dig the crazy door man--that's Dean; leave it to him to wear those jazzy striped trousers. Before we enter the orange door, let's go in and talk to Dot and Glenda at their "Dunk-it Shop." We find that they are both happily married. Look at those crazy sugar bowls--why, they're little red wagons. That must be Glenda's idea. Now let's go through the orange door. Who's that over thererby that palm tree? That's Norm! I guess some twigs from his forest ranger job got caught in his hat. Who is that beside him! Why, it's that notorious Casinova, LaVern, the sailor with two girls in every port. And there is a strangely dressed fellow painting a picture of this mob. It's that world famous artist, Bill. And looking around we see several sports characters tonight. There is Chuck Hewitt, famous for his coaching of the New York Yankees. Marie Cox is here and she is coach of the first woman's Olympic basketball team. Seated next to his wife, Donna, is Chuck Peterson, the farmer who revolutionized agriculture by raising crops through six inches of snow. What's the rumble in the background! It's Cliff, experienced tobacco auctioneer and he is talking his usual mile a minute to Ron Sandrock, a fur merchant. Well, the floor show is about ready to start; the orchestra is the "Heart Beats" led by Ron Henson and featuring Charles Hunt on drums (an ability acquired through drumming in classes at MHS) Star of the show is Med--he is giving one of his great, dramatic love scenes. He has gained quite a reputation as being the second Rudolph Valentino. We see by the program that the choreography was done by Cephas, famous for his "California Bounce." The costumes were all designed by the famous pace setter of fashions, Barb. As a special treat tonight we have Janice Johnson, singing her new, smash hit of "So That's What's Behind the Green Door." Next on the program is Duane and his "red and black" trained bunnies. Looking around at the tables we find Karen and Jerry talking to Barb and John. They are discussing their families. Seated next to them is Fran Randall who was voted "Homemaker of the Year." Why, there is the President of Cornell University and famed orator, Larry. He's talking to Nite, representative of Illinois; I hear she's trying to get the state of Illinois' name changed to Sheffield. At the next table we see Eric, the rising young state's attorney from Florida. Ken, millionaire super market owner has stores in forty-eight states, Hawaii, and Alaska, we hear from Blanche, the head waitress. Blanche, in this job, picks up many juicy bits for Charlotte's gossip column. Charlotte is known for writing news before it happens. To end a perfect evening, we visit the kitchen where world-famous chef, Jack, is preparing his grilled leg of lamb, the recipe for which he has been offered millions. As we leave in our customized car, another production of Stan, we still have not found out what is behind the "Green Door" but we do have renewed memories of our four wonderful years at good old MHS.

SENIOR CLASS HISTORY 1953-1957

In 1953, 37 green freshmen opened the doors of Manlius High to begin their first of four wonderful years. Officers were: Larry Lubbs--Pres.; Norman Berry--V.P.; Chuck Peterson--Sec.; Anita Raabe--Treas.; Mr. Gleick--Advisor.

Initiation on the school lawn wasn't as bad as we had anticipated. Various stunts were performed with the boys dressed in grass skirts and the girls in housecoats and aprons on backwards.

During the year we lost six of our members: Larry Hughes, Lawrence Dabler, Bob Vickers, Joanne Smith, Sally Hurley and Jim Ferguson.

Our sophomore year the officers were: Ronald Christensen--Pres.; Larry Lubbs-V.P.; Anita Raabe--Sec.; Chuck Peterson--Treas.; Mr. Bushell--Advisor. Our dance, "April Fool's Fling," and a chili dinner proved successful. Francis Schaefer, Clarence Frank, Joe Lowder, Frances Foy, Bill Ghys, and Larry Rowland left us during our junior year and we gained Karen Peterson. The officers were: Janice Johnson--Pres.; Norman Berry-V.P.: Larry Lubbs-Sec.; Glenda Rogers--Treas.; Miss Schmidt and Mrs. Block--Advisors.

Activities included a dance and turkey raffle on December 16, two chili dinners and our play, "The Hasty Heart," directed by Mr. Cliff; our Jr.-Sr. Prom, May 19, lasted all night. Kraft Food Co. furnished our smorgasbord after the dance, we were hosts at the Walnut Theater, and the firemen of Manlius and New Bedford gave us a breakfast. Our theme was "South of the Border" and the gym was decorated in brilliant colors.

This year, 33 members--11 girls and 22 boys, walked into Manlius High for their last year. Officers were: Janice Johnson--Pres.; Norman Berry--V.P.: Anita Raabe--Sec.; Larry Lubbs--Treas. Advisors--Miss Schmidt and Mr. Holman. During the year we lost Barbara Hurst and Jim Miller, but we gained Cephas Bryan, only to lose him the second semester to the Service. Our home-coming dance, October 12, followed the LaMoille-Manlius game. We raffled off an autographed football. We had two barbeque dinners, a record dance, hobo day, bake sale, coatcheck room at the New Bedford basketball games, a concession stand at the home football games and other projects. Our play, "Down to Earth," was under the able direction of Mr. Milburn. Our final activity as a class was our long awaited Senior Trip.

This year we enjoyed many activities. Among these were record dances, a chili dinner, a magazine campaign, picking up corn, class play, and we had charge of the pop and milk distribution.
Our most enjoyable project was the Jr. Sr. Prom. We worked very hard to make the prom a memorable event.

The Agricultural Council started its new year in July, 1956, with the election of Leonard Swan as chairman; Gene Hartz, Vice Chairman; and Daniel Raabe, Secretary-Treasurer.

What does the Agricultural Advisory Council do? As the name suggests, it is a group of citizens serving in an advisory capacity to the vocational agriculture teacher, and the Board of Education. The duty of the council is to plan activities in vocational agriculture for the improvement of agriculture in the district. They have:

1. Planned and conducted farmer meetings on topics of interest of farmers in this district.
2. Sponsored an electric wiring course for a group of farm people.
3. Surveyed farm shop facilities and recommended purchases of new equipment.
4. Developed policies for the administration and direction of the vocational agriculture department.
5. Made recommendations to and assisted the Manlius FFA Chapter in carrying out its program of work.

We appreciate their interest and service.

PEP CLUB

CHEERLEADERS

At our first meeting the following officers were elected:

Anita Raabe	President
Glenda Rogers	Vice President
Jerene Christensen	Secretary
Donna Devenyns	Secretary
Rachel DeSkeere	Treasurer

The group sponsored a bus to take the members to the basketball and football games away from home.

Our snake dance was very successful; it featured the speech class' skit representing Mr. Bushell and the football players. Everyone enjoyed the clever impersonations.

At the end of the football season an impressive program honoring the football players, and especially the seniors, was given by the Pep Club. The program was written and directed by Barb Stringer.

During the year we received our awards from this year and previous years.

SECOND ROW: Jack Dabler, Don Johnson, Chuck Peterson, Harold Ericson, Charles Hunt, Larry Lubbs, Alan Davidson, Jim Chesney, Coach Bill Bushell. THIRD ROW: Larry Neahring, Cephas Bryan, LaVern Salzmann, Ron Christensen, Norm Berry, Curt Boyce, Med Tornow, Ken Neidetcher.

Coaches Bill Bushell and Bill Jenkins greeted a hugh squad of forty-seven men on the first day of practice. Included in this squad were 12 lettermen, 11 of whom were seniors, the other a junior. From the first day of practice to the last game, the team had great desire and hustle and were quite willing to work.

In the pre-season predictions Manlius was tabbed as the top contender for the "Little 8" Crown, while Tiskilwa, Buda, and Neponset were to provide the greatest opposition. We beat Neponset 56-14, shelled Buda 80-19, and racked Tiskilwa 32-13. These three scores accurately show how great a powerhouse Coach Bill Bushell assembled, both offensively and defensively. Our offensive team (we used two-platoon system) had speed, power, and deception, and could move in the air and also on the ground. Our line was big and fast and our backs were hard, shifty runners. Don Johnson finished second in the Little 8 scoring; Medley Tornow accounted for nearly all the extra points scored. These boys formed the nucleus of our offensive team which averaged 51 points a game and was the highest scoring team in the state: Ends - Berry, Salzmann; Tackles - Christensen, Tornow; Center - Lubbs; Quarterbacks - Hewitt, Anderson; Halfbacks - Johnson, Henson, Peterson, Dabler, Neahring. Our defensive team was the best in the circuit. For the first time in a few years, we had a strong pass defense. No one came through our middle, not even the referee. These boys formed the nucleus of our defensive team which held our opponents to a total of 66 points all year: Ends - Salzmann - Boyce; Tackles - Christensen, Neidetcher; Linebackers - Peterson, Lubbs; Halfbacks - Berry, Tornow.

COACHES: L to R., William Bushell, Bradley University; Assistant Coach, William Jenkins, Knox College.

End-Norm Berry

Tackle-Med Tornow

Center-Larry Lubbs

In addition to capturing the Little 8 crown, we also played an eleven man game with Tampico this year. The team made the shift from 8 to 11 man in three days. Just how good a shift they made is shown by the score--Manlius 47, Tampico O. Manlius placed a total of 9 men on the annual all-conference team selected by the coaches. On the first team were: Berry, end, Christensen, tackle, Tornow, tackle, Lubb, center, and Johnson, halfback. On the second team were placed Salzmann, end, and Hewitt, quarterback. Marv Anderson and Ken Neidetcher received honorable mention. The team elected Norm Berry and Larry Lubbs captains.

Following is the games summary:

Manlius 39 Ohio 7 - The season opener was a huge success as the team ran wild. Touchdowns scored were Johnson 2, Hewitt, Anderson Berry 1.

Manlius 80Buda19 - Manlius shellacked one of the top contenders for the crown as they ran away with the game. Johnson scored 4 TD's, all on runs over 25 yeards.

Manlius 47 Tampico 0 -Manlius showed spectators they are ready for 11 man ball; Med Tornow scored 4 TD's.

Manlius 51 LaMoille 0 - The Devils revenged last years defeat to the tune of Chuck Hewitt's 3 TD's.

Manlius 56 Neponset 14 - The Devils easily disposed of another threat. Johnson went 72 yards on the opening play. Henson had a big night with 3 TD's.

Manlius 58 Sheffield 6 - Manlius rolled over the Cards with ease with several players scoring.

Manlius 53Malden7 - Don Johnson led us by Malden by scoring four times. Reserves played entire second half.

Manlius 42 Wyanet 0 - The socre was only 7-0 at the half as our offense bogged and the defense held. We erupted with five TD's in the second half. Norm Berry and Chuck Hewitt scored twice each.

Manlius 32 Tiskilwa 13 - Manlius won a hard fought championship game proving that they were the Little 8 elite. A group of seniors playing their last game led Manlius' offense and defense. TD's were scored by Johnson 2, Tornow, Henson, and Salzmann 1.

FOOTBALL PERSONALITIES: Bill Bushell-Head coach; "Coach" has been at Manlius for five years and he hasn't had a losing season yet. Coach is a wonderful morale builder and a student of the game of football. He seemed to know how to get you to do your very best. We'll never forget him and I'm sure he'll never forget the many pranks we pulled on him, such as "nigger-piling" him and pushing his car under the goal posts. Bill Jenins-Assistant coach. Mr. Jenkins did a wonderful job here in his first job of coaching. I'm sure some of the linemen will say that no one ever worked them harder. Norm Berry-Norm was a tall, talented, glue-fingered end who also doubled as a defensive back. In addition to being co-captain, he made the all conference team. Med Tornow-Med, better known as "Horse," was a fine tackle, kicked off, and played defensive half; he always seemed to give us the extra few yards when we needed it. He was an all-conference tackle.

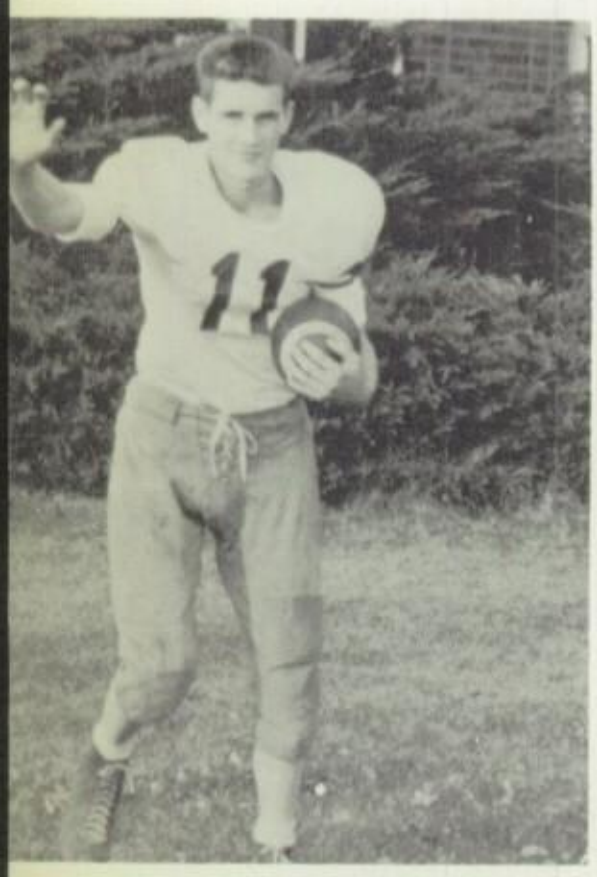
Larry Lubbs-Larry doubled as center and as linebacker where he tackled hard. He was all-conference team member, co-captain, and better known as "Fubb" or the "Grey Ghost." Ron Christensen-Chris, known as Wob, the Grizzly Bear, was a big, mean, rugged tackle who loved to pick a fight. He was on the all-conference team. LaVern Salzmann-Although Salz was on the second team, all-conference, he should have been on the first team.

Tackle-Ron Christensen

End-LaVern Salzmann

Quarter-back-Chuck Hewitt

Half-back-Don Johnson



Half-back-Ron Henson

Tackle-Ken Neidetcher

Salz was ferocious blocker and nobody ever came around his defensive end.
Charles Hewitt-Chuck, quarterback, was our field general and was a fine runner and passer. He really made up for his hard luck junior year as a senior for he made the second team, all-conference.
Don Johnson-Don, a halfback, was the fastest man on the squad and plenty hard to tackle. He was our leading scorer and made the first all-conference team. Ron Henson-Ron, a halfback, affectionately known as "meathead," was a good hard runner in spite of his smallness. He was our second leading socrer.
Chuck Peterson-Chuck, linebacker, halfback, was a hard tackler and a good runner. He was, among other things, a clown.
Ken Neidetcher-This was Ken's first year and he really played ball. He was a hard tackle to move; he made honorable mention on the all-conference team.
Curt Boyce-Curt, an end, had a pair of claws on him from which no one escaped. He was a very fine defensive player.
Marv Anderson-Marv, a quarterback, played a lot of ball and was an awfully hard runner. He received honorable mention on the all-conference team. He was undoubtably the laziest player on the team.
John Neahring-John, halfback, had injury trouble, yet always put all he had into one of his favorite sports.
Jack Dabler-Jack, halfback, also had injury trouble, but still had the "gumption" to return kickoffs.
Harold Ericson-Eric, a tackle, was always in there plugging and never complained, Guys like him helped strengthen the team.
Cephas Bryan-Cephas, an end, was playing his first year of football and he played it with his heart.
Charles Hunt-Chunter, center, according to Coach, was the only senior who never skipped practice. He was a guy with plenty of desire.
Larry Anderson-Anywhere-Larry was a real triple-threat player. He could fall, stumble, and trip over his own feet. He is only a freshman but should blossom into a real star.

Half-back-Chuck Peterson

Half-back-John Neahring

End-Curt Boyce

Jack Dabler, Halfback

Charles Hunt, Center

Our Frosh-Soph tea, coached by Mr. Jenkins, had an equally successful season. They played their maximum of four games and won all four. They won three eight-man games from Buda, Sheffield, and Tiskilwa, and one eleven-man game from Walnut. The main offensive players were:
Ends - Jones, Hard
Tackles - Miller, Roush, Frank
Center - Neidetcher,
Quarterbacks - Anderson, Martin
Halfbacks - Hansen, Michlig, Wirth
Many of the underclassmen saw action in the varsity games, gaining valuable experience.

Randy Carlson, Tom Davidson, and Bob Neahring were our managers for both football and basketball. A lot of credit should be given the guys who always seemed to know just where certain things could be found. They were wonderful errand-boys who always had time to fetch a pair of socks, shoe-strings, or find a lost helmet. The squad thanks them.

Great Thing were expected of the Red Devil cagers in the '56-57 season and the Devils have fulfilled these great expectations. The present team is comprised of players who are, undoubtable, the best basketball players the Manlius system has ever produced. Their history is quite interesting. They started to show the mark of champions as early as the seventh grade when the team captured the Bureau County Lightweight race. At this time the boys had very little experience and they depended greatly on pure raw desire. They now have received the experience and have kept the desire. In the eighth grade the team split up, some played heavyweight and the others lightweight. The lightweights captured second place in the county and the heavyweights third. The heavies also captured second in their tourney. The boys then entered high school and in their first year helped compile an excellent fresh-soph record. The next year Norm and Chuck were promoted to the varisty. The rest of the boys had an even better fresh-soph record than that of the previous year as they lost only four games. Last year was the greatest year in Manlius history (not counting this year, in which the Devils are making people temporarily forget last year). While winning 26 games, the Devils lost only two games, but one of these losses prevented state tourney advancement. This brings us up to this year. Before we continue, let's take a look at the personnel involved.

BASKETBALL PERSONALITIES

COACH BILL JENKINS-This is Mr. Jenkin's first year at Manlius; he is a native of Kewanee. "Tufskin," as he is jokingly called, has molded a team which has made a shambles of the Little 8 loop. Coach believes in a good, aggresive defense and has changed the team from a racehorse style to a good steady style of ball.

CHUCK HEWITT-The "Little Giant" is the key man in our lineup. Chuck, a senior, averages around 18 points per game and makes 46% of his shots. Chuck is a fine playmaker, our field general, and although he's only 5'8 he is a good rebounder; he also has a beautiful one hand jump shot.

NORM BERRY-"Tree", as he is known, was the team's "big" man. Norm, a 6'5" senior, scores about 14 points per game and is one of the best rebounders. He has improved greatly on defense this year and usually guards the team's "big gun." Norm has developed a fine hook shot.

MED TORNOW-Med, a 6'3" senior, is our "board" man and a stellar rebounder. Besides clearing both boards, Med also gives us a lot of points when we need them. Med was a rugged rebounder and gets the vote of "most improved" from last year.

LAVERN SALZMANN-Salz was our best hustler and was great at picking up loose balls. He, too, can put that ball through the hoop regularly. Salz, a 6'2" senior, was always tieing up the other team's big man.

Med Tornow, LaVern Salzmann, Chuck Peterson, Jack Dabler, Ron Henson, Jim Rashid, Chuck Hewitt, and manager Tom Davidson.

JUNIOR VARSITY: SEATED left to right; Bill Mueller, Bruce Raabe, Dick Johnson, Norman Schuneman, Duane Martin. SECOND ROW: Harold Cox, Darwin Pierson, Snork Anderson, Max Chesney, Duane Wirth. THIRD ROW: Mr. Hughes, Bryan Raabe, Harold Miller, Roger Jones, Gary Roush, Larry Hanson, Joe Michlig.

MARV ANDERSON-"Marvo" was our fifth starter Marv, a 5'10" junior, was a good ball handler and a fine defensive man. He has a good jump shot and can drive well. Manlius will be lucky as he will be back again next year.
LARRY LUBBS-Larry was our sixth man and a capable reserve. Larry, a 5'11" senior, was always around when someone fouled out. His main weapon was a two handed set shot.
CURT BOYCE-Curt didn't have a consistent enough shot to play first string Curt, a 6'4" senior, made things rough when practicing against the first string.
JACK DABLER-Jack was a little too small to play amongst the "giants" but he had a good shot and was a very fine player.
KEN NEIDETCHER-This was Ken's first year of Manlius basketball. He found time to develop a fine fadeaway jump shot.
RON HENSON-Ron was another small guy who really put his heart into the game. Ron had a good shot and only his height prevented him from playing more. Ron is also a senior.
CHARLES HUNT-Chunter was out all four years and really put out all four. Guys like him in practice made the first team great.
This brings us up to date-this year. Fifteen varsity candidates reported to Coach Bill Jenkins on the first day of practice. Included were 7 returning lettermen, 3 of whom were regulars from last year. The team, many of them fresh from football, spent the first two weeks working it out of their systems. The first game was Walnut and we beat the "Blue Raiders" 70-55. Hewitt was high point man with 25. We then trounced Granville and Wyanet. The next game was with our former coach, Bill Boyer's, Toulon Trojans. Unfortunately, we lost a heartbreaker by the score of 76-68 We won our next game from the Sheffield Cardinals. The next Friday we won a thrilling conference squeaker from Tiskilwa 77-76 on Med's basket with a mere 10 seconds remaining. Berry was high point man with 31. We beat Ohio for our third conference win. The Farmington Holiday Tournament followed. We first beat Galva and then lost the championship game to Farmington 55-45. They were unbeaten.

After Christmas we again beat Walnut, who were, at the time, leading the Blackhawk Conference. For our fourth conference game we beat Buda, and the following Tuesday beat Tiskilwa again. On January 11, we won another big conference game by trouncing Bureau. The next Friday we beat LaMoille. Then it was Little Eight Tourney time. We were top-seeded and lived up to predictons. We beat Ohio, Bureau, and Tiskilwa in that order for the championship game. We then won successive games from Bradford, Neponset, Fulton, Tampico, and Sheffield. Fulton, a mighty important game, was spirit-building for they had quite a reputation. Everyone really played ball, and we won 56-46.

Our Fresh-Soph team also had an excellent season. Many of the boys gained valuable experience for next year. They were coached by Mr. Hughes and the following boys formed the nucleus of the squad: Harold Miller, Roger Jones, Bruce Raabe, Max Chesney, Snorky Anderson, and Duane Martin. Miller and Jones also dressed for the varsity games.

BASKETBALL, CONTINUED:

The Red Devils next traveled to DePue for the District Tourney. They warped LaMoille, 87-40. They advanced into the finals by beating Bureau Township. In the final game--a real thriller--Manlius edged DePue 64-63. Everyone played excellent ball and it was the team effort that beat the one-man effort of DePue. The winning basket was scored by Medley Tornow with two seconds left in the game. The Devils then advanced to the Walnut Regional where they met Princeton in the first game. Manlius led throughout the game only to lose in the final minutes by a score of 65-63. Coach Bill Jenkin's Devils compiled a twenty-six-three record and had a very successful season. The seniors who played in their last game were Chuck Hewitt, Norm Berry, Med Tornow, LaVern Salzmann, Larry Lubbs, Jack Dabler, Curt Boyce, Charles Hunt and Ken Neidetcher. All in all it was a very very successful season.

The senior class has been very active in school affairs this past year. A good percentage of students participated in the sports, music, and dramatic departments of the school. We decided upon orchid and silver, our class colors, the white orchid, our class flower, and "The Door to Success is Labeled 'Push'" as our class motto. Everyone is eagerly anticipating the class trip after graduation; we have arranged to take a trip to New Orleans, Louisana.
Graduation day is May 24; at this time the other awards --Wirth Memorial Trophy, Sheffield American Legion Awards, and the Woman's Club and DeKalb award will be presented in addition to honoring the others.
We would like to express our appreciation for the help and co-operation we have had in editing this annual. A lot of thanks is due Miss Schmidt and Mr. Holman, our senior advisors.
Without their leadership and understanding we could not have done this job.
We would also like to say thanks to those who have helped to finance this annual--each and every sponsor listed on the back pages.
